GBFUA Club Membership Agreement

The Player

By becoming a paid member of this club I accept my responsibility to abide by the Terms and Conditions in this agreement and all policies of the Club.

Once a member I will remain with the club till the end of the season. The season will be considered ended after the last event of the season; which is normally the GB Nationals.

I understand that if I continue playing in the same club in the following season/s my agreement will be automatically renewed each time I participate in the first game of a new season with the same club. This will be subject to the club sending a copy of the agreement to the GBFUA at the start of the season.

I understand that upon leaving this club I will:

1. Return any Sponsorship equipment purchased whilst at the club or, pay the difference to make up full retail cost. I understand that this is to prevent players from taking advantage of any sponsorship agreements this club might have in place.

2. I will reimburse this club of any expenses that the club has incurred such as subsidised development training, tournament fees (both GBFUA and non GBFUA events), courses, training costs or equipment borrowed but not returned (i.e. strips, stick, goalie top)

3. I understand that if I wish to transfer to another club before the end of the season I shall also pay a release fee of £200 to this club and I still subject to GBFUA transfer regulations.

4. I understand that once the season is over I shall be free to move to any other club without the need to pay a release fee, but still subject to the conditions in points 1 & 2.

I understand that any decisions regarding the enforcement of this agreement will be taken by the GBFUA management committee. Any appeal to a GBFUA decision with regards this membership agreement will be subject to a £50 non-returnable fee.

I understand it is my responsibility to initiate an IFF international transfer if I wish to transfer to a club in another IFF association.

The Club

The club understands that the GBFUA will not consider any private agreements between the player and club.

The club understands the GBFUA might chose to void any agreement at any time and at its own discretion; particularly when there are special circumstances or youth members involved.

The club understands the maximum penalty for voiding this agreement is £300 even when this exceeds the debts (including the release fee) the player has incurred into.

The club must notify the GBFUA of its intention to enforce this agreement with at least a week notice; in writing by e-mailing info@gbfua.org.uk, stating the reasons for the action and providing evidence of the equipment borrowed debts the player has incurred into and a copy of this agreement signed by the player.

The club understand the GBFUA management committee will take a decision on the enforcement, and an appeal will be subject to a £50 non-returnable fee.

By signing this document I confirm that I have agreed to all the conditions above.
